

Between®

High Surfactant Oil Concentrate

Adjuvant

PRINCIPAL FUNCTIONING AGENTS

Paraffinic Base Petroleum Oil	60%
Polyol Fatty Acid Esters, Polyethoxylated Derivatives	40%
TOTAL	100%

Components exempt from tolerance under 40CFR 180

Surfactant Content: 40% Unsulfonated residue value - U.R. 92% minimum.

GENERAL INFORMATION

BETWEEN is a highly concentrated blend of surfactants and paraffinic oil. It is designed for use with a broad range of pesticides where a crop oil concentrate adjuvant is recommended. **BETWEEN** increases contact activity and penetration of the spray while also providing uniform coverage on leaf surfaces. Always follow herbicide label recommendations. Care should be taken in treating sensitive crops during drought stress, high temperatures and high humidity.

DIRECTIONS FOR USE

Mixing: Shake well before using. To prepare for pesticide application fill spray tank one-half full with water and begin agitation. Add pesticide or fertilizer as recommended and then add **BETWEEN** while continuing agitation. Continue to agitate until tank is full and agitate before and during each application. Recirculate bulk if stored below 32°F.

RECOMMENDED RATES

BETWEEN should be applied at a rate of 4 pints per 100 gallons or 0.5% v/v in ground, aerial, low volume or CDA applications. If conventional crop oil concentrate is recommended at a rate of 1 quart per acre replace with **BETWEEN** at a rate of 1 pint per acre. **BETWEEN** rates are generally one half the rate of conventional crop oil concentrates.

The above recommendations are adequate for most uses. However, some pesticides may require different adjuvant rates. When this occurs, follow the pesticide label directions. Environmental conditions, equipment condition, crop health, pest infestation levels, and the accurate operation of spray machinery can influence the effects of the pesticide and the spray application itself. Therefore, it is recommended that adjuvant concentrations be adjusted based on careful observation of spray deposits.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store tightly closed in the original container. Do not add anything else to the container. Do not store near oxidizing agents.

DISPOSAL: When container is empty, triple rinse the container and pour rinsate into the spray tank. The empty container must be disposed of or recycled according to all local, state and federal laws and regulations. **DO NOT REUSE THE CONTAINER.**

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes mild eye irritation. Harmful if swallowed or absorbed through skin. Avoid contact with eyes. Avoid inhalation of spray mist. Wash thoroughly with soap and water after handling. Read and follow all precautionary statements on the accompanying pesticide label(s).

CAUTION
KEEP OUT OF REACH OF CHILDREN
- STOP -
READ ENTIRE LABEL BEFORE USING

FIRST AID

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

CONDITIONS OF SALE AND WARRANTY

The Directions for Use of this product are based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of manufacturer or the Seller. All such risks shall be assumed by the Buyer. THE MANUFACTURER OR SELLER MAKES NO OTHER EXPRESSED OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OF ANY OTHER EXPRESSED OR IMPLIED WARRANTY. IN NO CASE SHALL THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGE RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. The manufacturer and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of the manufacturer.
