

ORTECH

Crop Oil Concentrate

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Principal Functioning Agents:

Paraffinic Base Oil and Ethoxylated Nonionic
Surfactant.....100%

Surfactant Content..... 20%

Unulfonated Oil Residue (UR) Value..... 90% Minimum

Components exempt from the requirement of a tolerance in
CFR 40 180. 920, 930, 940,950,960 & 25B

ORTECH Crop Oil Concentrate is manufactured using highly refined paraffinic base oil with a high quality surfactant that also includes the new advanced integrated antifoaming agent.

DIRECTIONS FOR USE

ORTECH is a blend of a highly refined paraffinic mineral oil and surfactant/emulsifier for use with postemergence pesticides to enhance control in crop and noncrop areas.

NOTE: Read and follow the directions for use as recommended on the pesticide label. **ORTECH** is an adjuvant to augment the performance of the pesticide it is used with. Specific usage and restrictions contained on the pesticide label have precedence over use rates contained on this label.

The following use rates are considered to be adequate for most applications. Some pesticides may require different rates for optimum effect.

Ground Applications: Use 1 quart per acre, or 2 to 4 quarts per 100 gallons of spray solution. See specific pesticide label for instructions on the use rate of **ORTECH**.

Aerial Application, Low Volume, CDA: Use 2 to 8 ounces of **ORTECH** per acre. Follow the recommendations on the pesticide label if higher rates are required.

Mixing: Fill spray tank half-full with water. Then add pesticide per label recommendations and continue filling. Add proper amount of **ORTECH** last, and continue agitation.

USE PRECAUTIONS

ORTECH may increase the effectiveness of pesticides. During periods of high temperatures, or extremely humid conditions, some pesticides become more active. It is recommended that a small test area be treated if such conditions prevail. Test areas are also recommended in the treatment of new crop varieties or highly inbred crop lines.

STORAGE & DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Store in a cool, dry place away from oxidizing agents. Keep packaging closed, securely fastened and upright.

Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed, absorbed through skin or inhaled. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water and before eating drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF SWALLOWED:

- Call a doctor or poison control center immediately.
- Do not give any liquid to the person.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything to an unconscious person.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call poison control center or doctor for treatment advice

IF ON SKIN:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 – 20 minutes.
- Call a poison control center or doctor for treatment advice.

IF INHALED:

- Move person to fresh air.
- If person is not breathing call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.
- Call a poison control center or doctor for further treatment advice.

NOTICE – READ CAREFULLY

Condition of Sale – Rosen’s, Inc. (and seller) offer(s) this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty.

Warranty Limitation – Rosen’s, Inc. warrants that this product conforms to the chemical description on the label subject to the inherent risks referred to below. Rosen’s, Inc. makes no other express warranties, which extend beyond the description on the label hereof. **THERE IS NO WARRANTY OF MERCHANTABILITY** and there are no warranties, which extend beyond the description on the label hereof.

Inherent Risks – The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use of this product contrary to label directions or resulting from extraordinary conditions.

Limitation of Liability – In no case shall Rosen’s, Inc. be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which damages may be claimed.
