|---|-------------|
| Paraffinic Petroleum Oil | 60% |
| Alkylaryl polyethoxyethanols, Free Fatty Acids | 40% |
| Total | 100% |
| Surfactant Content: | 40% |
| Un sulfonated Oil Residue (UR) Value | 90% Minimum |
| Components exempt from the requirement of a tolerance in 40 CFR 180 | |

**AURORA
AGRONOMY**

CAUTION

KEEP OUT OF REACH OF CHILDREN

GENERAL INFORMATION

AURORA ETA is a low-use rate, petroleum/phytobland oil based adjuvant that enhances performance of spray applications.

AURORA ETA replaces traditional crop oil concentrates and is formulated to be used at lower rates.

DIRECTIONS FOR USE

AURORA ETA increases the effectiveness of pesticides and is designed for use with certain pesticides. Always follow the label of the specific pesticide for detailed adjuvant use directions.

AURORA ETA may be used for agricultural, commercial and industrial uses with pesticides labeled accordingly.

The following use rates are considered to be adequate for most applications. Some pesticides may require different rates for optimum effect.

USE RATES

Dilute with water and apply at 0.375 - 0.5 % volume/volume for pesticides suggesting 1% v/v crop oil concentrate. (3-4 pints/100 gallons of spray)

Dilute with water and apply at 1 pint per acre for pesticides suggesting 1 quart per acre crop oil concentrate.

For total carrier volumes less than 12 GPA, use 1 pint of **AURORA ETA** per acre.

MIXING INSTRUCTIONS

Fill spray tank half-full with water. Then add pesticide per label recommendations and continue filling. Add proper amount of **AURORA ETA** last, and continue agitation.

USE PRECAUTIONS

AURORA ETA increases the effectiveness of some pesticides. During periods of high temperatures and/or extreme humidity, some pesticides may become more active. It is recommended that a small test area be treated if such conditions prevail. Test areas are also recommended in the treatment of new crop varieties or highly inbred crop lines.

NET CONTENTS: _____

STORAGE AND DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Product may suspend in layers if stored below 32°F.

Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

May be harmful if swallowed, absorbed through skin or inhaled. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF SWALLOWED:

- Call a doctor or poison control center immediately.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call poison control center or doctor for treatment advice.

IF ON SKIN:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 – 20 minutes.
- Call a poison control center or doctor for treatment advice.

IF INHALED:

- Move person to fresh air.
- If person is not breathing call 911 or an ambulance, then give artificial resuscitation.
- Call a poison control center or doctor for further treatment advice.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms – By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund. **Warranty Disclaimers** – Aurora Cooperative Elevator Company and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. This product is sold "as is" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. **Inherent Risks** – The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product. **Limitations of Liability** – To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
