Call a **POISON CENTER** or **doctor/physician** if you feel unwell.

*For Chemical Emergency (spill, leak, fire or accident), call CHEMTREC (800) 424-9300*

**EYE CONTACT - IF IN EYES:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Have the product container with you when calling a poison control center or doctor, or going for treatment. If eye irritation persists: Get medical advice or attention.

**SKIN CONTACT - IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center, doctor, chemical manufacturer or distributor to specify the appropriate source of emergency.

**INGESTION - IF SWALLOWED:** Do not give anything by mouth to an unconscious person. Call a poison center, doctor, chemical manufacturer or distributor to specify the appropriate source of emergency medical advice.

**INHALATION - IF INHALED:** If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell

Dispose of contents and containers in accordance with local, regional, and national laws.

**NET CONTENTS:**

**2.5 US GAL (9.463 L)**

## GENERAL INFORMATION

OROBOOST is a spreader, penetrant and wetting aid to enhance distribution and efficacy of miticides, insecticides, fungicides, herbicides, nutrients, and plant growth regulators. OROBOOST is a WSDA-registered material for use in organic agriculture when combined with other organic pesticides.

## DIRECTIONS FOR USE

Prior to use, read all the directions on this label and on the label of the manufacturer's insecticides, miticides, fungicides, plant growth regulators, dormant oils and/or nutrients being used with this product. The manufacturer's label for specific usage and restrictions has precedence over directions for use referred to on the OROBOOST label. To ensure thorough mixing, it is suggested that you recirculate mini tanks and bulk tanks or shake containers before using. Ensure spray equipment is thoroughly cleaned before using OROBOOST. Coatings on inner tank and spray lines, from previous chemicals sprayed, may be dissolved by OROBOOST, thereby releasing it into the mix about to be sprayed. If in doubt, applying as directed, add 20 ounces of OROBOOST to 20 gallons of water circulate through system for 20 minutes, spray to waste. Thereafter, mix as prescribed for regular spraying. Treat a small area and observe results. If the results are satisfactory, proceed with a complete application.

## PRECAUTIONS

- **WARNING:** Do not apply to fruiting stages of pome fruit, cherries, table grapes or other sensitive or stressed crops without first consulting your Oro Agri or distributor representative.
- Test for compatibility when combining in tank mixes with EC products, copper and/or chlorpyrifos on sensitive crops.

**NOTE:** OROBOOST reduces dew formation for up to 7 days and therefore may increase the risk of frost damage in frost prone areas.

**NOTE: NOT FOR AQUATIC USE.**

## MIXING

Fill tank one-half full with water. Add the required amount of other tank mix products while agitating. Add remainder of the water. Add the recommended amount of OROBOOST last and continue agitation until completion of spraying. For best results, use within 24 hours of mixing. Antifoam and buffering agents may be used if required.

## RECOMMENDED RATES

### IN SEASON

#### ■ INSECTICIDES, MITICIDES, FUNGICIDES, HERBICIDES, NUTRIENTS AND PGRS:

- Use 20-100 fl. oz. OROBOOST per 100 gallons of tank - mix spray solution

### ■ POST HARVEST, DORMANT AND DELAYED DORMANT

#### ■ INSECTICIDES, MITICIDES, FUNGICIDES, HERBICIDES, NUTRIENTS, PGRS AND/OR DORMANT OILS:

- Add 1 to 3 Quarts of OROBOOST per acre in sufficient tank - mix spray water volume to adequately wet target.

## STORAGE AND DISPOSAL

**PROHIBITIONS:** Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

**STORAGE:** Store in original container only and keep sealed. Handle in accordance with Precautionary Statements. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent materials. Scrape up and dispose in accordance with Product Disposal.

**PRODUCT DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal.

## NOTICE OF WARRANTY

**CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES:** Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Oro Agri, Inc. (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, one of the following: 1. Refund of the purchase price paid by buyer or user for product bought, OR 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
