

HASTEN-EA™

MODIFIED VEGETABLE OIL CONCENTRATE

PRINCIPAL FUNCTIONING AGENTS:	% By Wt.
Ethylated seed oil; Polyoxyalkylene fatty ester.....	100%

CA Reg. No. 2935-50202

WA Reg. No. 2935-15003

ECO ADVANTAGE™ Product

ECO ADVANTAGE™ is an exceptional product line developed to meet the standards of an ecologically-friendly platform. ECO ADVANTAGE products are NPE-free, designed for use in both terrestrial and aquatic applications, deliver solid product performance and possess increased user safety and handling qualities.

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Do not ingest. Avoid contact with skin and eyes. Avoid breathing mist or spray. Wash hands with soap and water after handling.

FIRST AID	
If inhaled:	•Move to fresh air •Call a physician if symptoms develop or persist
If on skin:	•Wash off with soap and water •Get medical attention if irritation develops and persists
If in eyes:	•Rinse with water •Get medical attention if irritation develops and persists
If swallowed:	•Rinse mouth •Get medical attention if symptoms occur
<p>Have the product container with you when calling a poison control center or doctor, or going for treatment. GENERAL INFORMATION

HASTEN-EA™ may be used with pesticides applied to commercially grown crops, vegetation management, aquatic environments, rangelands, and turf and ornamentals. HASTEN-EA may be applied in concentrate and dilute applications, by air or ground (including backpack), and may be used in chemigation applications.

Read label of pesticide carefully. Keep container tightly closed and DO NOT allow water to be introduced to contents of this container.

DIRECTIONS FOR USE

To ensure thorough mixing, it is suggested that you recirculate mini tanks and bulk tanks or shake containers before using.

Fill spray tank one-half full of water. Add the required amount of pesticide while agitating. Add remainder of the water. Add the recommended amount of HASTEN-EA last and continue agitation until completion of spraying.

When applying at the higher rates, use caution.

When applying to a sensitive crop, and before making a full-scale treatment, begin by treating a small area to determine if there may be adverse effects on the crop or plants.

USE RATES

ACARICIDES: Use 1/2-2 pints per 100 gallons of spray mix or use ¼ - 1 pint per acre in concentrate sprays of 50 gallons or less.

AQUATICS: HASTEN-EA may be used as an additive with aquatically labeled pesticides. The use rate for HASTEN-EA should follow the recommended adjuvant rate that is specified on the pesticide label.

DEFOLIANTS: 1/2-2 pints per acre of HASTEN-EA in combination with defoliant.

DESSICANTS: Use 1-2 gallons per acre of HASTEN-EA with desiccants.

FUNGICIDES: Use 1/2-2 pints per 100 gallons of spray mix or use ¼ - 1 pint per acre in concentrate sprays of 50 gallons or less.

HERBICIDES: Use 1-4 pints of HASTEN-EA per acre, the addition of a nitrogen fertilizer such as 28%-32% N solution or ammonium sulfate may be required to improve control under extreme environmental conditions or to satisfy certain label requirements.

INSECTICIDES: Use 1/2-2 pints per 100 gallons of spray mix or use ¼ - 1 pint per acre in concentrate sprays of 50 gallons or less.

For pesticides that permit use of an adjuvant at a higher rate, follow instructions on that pesticide label. HOWEVER, DO NOT ADD THIS PRODUCT AT A RATE WHICH EXCEEDS 5% OF THE FINISHED SPRAY VOLUME, EXCEPT WHEN USED AS A DILUENT IN DORMANT, BASAL, SITE PREPARATION OR OTHER SIMILAR APPLICATIONS, PER LABEL INSTRUCTIONS.

USE RESTRICTIONS

When mixing with 2 or more pesticides, do not exceed 1 pint per 100 gallons of spray solution when applied in cover sprays to sensitive crops such as leafy vegetables, soft-skinned fruits, strawberries, nut crops in bloom, grapes, or ornamental crops.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PRODUCT STORAGE: Store in original container only and keep container tightly sealed. Do not allow water to be introduced to the contents of this container. Store in closed storage areas. Do not store near heat or open flame.

PRODUCT DISPOSAL: Dispose of contents in accordance with local, regional and national regulations. To avoid waste, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program.

CONTAINER HANDLING: Triple rinse (or equivalent), then offer for recycling or reconditioning. Recycling cleaned containers is the best option of container disposal. ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Alternatively, puncture and dispose of the container in a sanitary landfill or by incineration. Do not burn unless allowed by state and local ordinances. If burned, stay out of smoke. Burning is not a legal method of container disposal in Washington State.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

ALL STATEMENTS MADE HEREIN ARE SUBJECT TO APPLICABLE LAW, AND TO THE EXTENT THERE IS ANY INCONSISTENCY OR CONTENTION, APPLICABLE LAW SHALL GOVERN.

The Directions for Use of the product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS", AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL. Buyer and User accept all risks arising from any use of this product, including without limitation, uses contrary to label instructions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
