

Council of Producers &
Distributors of Agrotechnology

2019 Adjuvants & Inerts Conference

Adjuvant Certification Committee

Adjuvant Certification Program

Committee

- Mike Gansemer - Chemorse
- Greg Grant - Croda
- Rebecca Peters - Precision Laboratories (Chairperson)
- Ryan Stiltoner - Evonik
- Craig Wilson - Rosen's

CPDA Certified Adjuvants

- Approximately 145 currently listed/approved adjuvants
- Approximately 4 in the queue pending review/in-process (Tremendous clearing of the backlog under Rebecca's scrutiny!)
- Recommendation to use a CPDA certified adjuvant appears on a number of pesticide products
 - 25 companies and over 300 labels at last count (Thank you Precision Labs for reading all the labels!)

Adjuvant Certification Program

Other activities

- Website will be updated shortly
- Streamlining of electronic application forms to occur following website re-work
- Invoicing system and fee structures to be re-evaluated
- Spray Quality Program
