

BRANDT A+™

Spreader • Activator • Drift Reduction Agent

Principal Functioning Agents:

Ethoxylated sorbitan fatty acid ester, mono- and diglycerides of C8-C18 fatty acids, Propylene Glycol.	93%
Constituents ineffective as spray adjuvant:	7%
Total:	100%
Surfactant content.	93%

DIRECTIONS FOR USE

BRANDT A+ is a proprietary non-ionic surfactant containing unique drift reduction technology. BRANDT A+ reduces physical drift and enhances deposition and surface activity properties to provide superior wetting, uptake, and retention of many agrochemical sprays. BRANDT A+ may be used on agricultural, aquatic, forestry, turf and ornamental, and non-cropland sites. Read and follow the precautions, restrictions and recommendations on the labels of pesticides used with BRANDT A+. Use according to the most restrictive label directions for each product in any tank mix.

COMPATIBILITY: BRANDT A+ is compatible with most pesticides. However, if the desired combination has not been previously used, a compatibility test is recommended.

MIXING: Fill spray tank 1/2 full of water and begin agitation. Add pesticides as directed by label or in the following sequence and continue filling tank: (1) Dry flowables or water dispersing granules, (2) Wettable powders, (3) Flowables, (4) Solutions, (5) Emulsifiable concentrates. Continue agitation until spray solution is completely mixed. Add the recommended amount of BRANDT A+. Continuous agitation of finished spray is recommended. If spray solution has been allowed to stand, thoroughly agitate and remix before application.

RECOMMENDATIONS: Specific use rates will vary with conditions of application such as water hardness, application method, equipment, spray droplet size, spray nozzle selection, or condition or size of foliage. Also, higher rates than those below may be used if recommended by pesticide labeling. Follow pesticide label directions. However, do not add this product at a rate which exceeds 5% of the finished spray volume.

GROUND: (10 to 300 GPA spray volume)

General Use: Apply 4-32 fl. oz. per 100 gallons of spray solution.

Drift Reduction: Apply 2-3 pints per 100 gallons of spray solution.

AERIAL: Use 2-3 fl. oz. per 5 gallons of spray volume per acre.

Net Contents: 2.5 gallons (9.46 liters)

Density: 9.7 lb/gal @ 68°F

Net Weight: 21.7 lb (9.84 kg)

Packaged: 2 x 2.5 gallons (2 x 9.46 liters)

KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Based on currently available data, this product is not classified as a hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in closed, original container away from children, animals, foods, feeds, seeds and incompatible materials. Handle in accordance with Precautionary Statements. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent material. Scrape up and dispose in accordance with Product Disposal.

PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

LIMITED WARRANTY: Brandt Consolidated, Inc. ("BCI") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. BCI and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, BCI and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
