Entro™

BASIC BLEND / BUFFERING AGENT / MODIFIED VEGETABLE OIL

Principal Functioning Agents

Methylated seed oil, nitrogen-based fertilizer solution, surfactant blend, alkali buffer and antifoam.....100.0%
Total.....100.0%

Surfactant Content...20.6%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

SDS INFORMATION

KEEP OUT OF REACH OF CHILDREN
WARNING

Hazard Statements

Causes serious eye irritation. Causes skin irritation.
Combustible liquid *(in containers greater than 119 gallons)*.

Precautionary Statements

Keep away from heat, sparks, open flames and hot surfaces. No smoking. Do not breathe mist, vapors or spray. Wash thoroughly after handling. Wear protective gloves and eye/face protection. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison control center or doctor/physician if you feel unwell. **IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Immediately call a poison center or doctor/physician. **IF ON SKIN OR CLOTHING:** Rinse skin with water/shower. Immediately remove/take-off all contaminated clothing and wash before reuse. **IN CASE OF FIRE:** Stop leak if safe to do so.

Refer to back label for more First Aid statements.

Storage, Disposal & Spill

Do not contaminate water, food or feed by storage or disposal of this product.

Storage: Store locked-up. Store in a well-ventilated place. Keep cool. Do not store in freezing temperatures. Store in a tightly closed container. Store in original container only.

Disposal: Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

Spill: In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

Environmental Hazards

Not for aquatic use. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

Net Contents

2.5 Gallons (9.46 Liters) or 2 x 2.5 Gallons (18.93 Liters)

First Aid

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

SHAKE WELL BEFORE USE

General Information

Entro is a micro emulsion concentrate combining an alkaline pH buffered methylated seed oil with a nitrogen-based fertilizer.

Entro enhances retention and penetration of herbicides sprayed onto weed surfaces and buffers the pH of the spray to minimize acid hydrolysis.

The antifoam ingredient in Entro minimizes the formation of troublesome foam.

Entro will enhance the performance of many post-emergent herbicides such as FlexStar GT®, Pursuit® and Raptor®.

Do not use Entro with Assert® herbicide.

Entro is also suitable for use when the herbicide label recommends methylated or modified seed oil adjuvants.

Directions For Use

Use rates range from 1 gallon to 2.5 gallons of Entro per 100 gallons (1% v/v to 2.5% v/v).

1 gallon per 100 is most common, or as herbicide label recommends.

ENTRO IS NOT FOR AQUATIC USE

Mixing Instructions

Shake Entro prior to use. Always follow herbicide label recommendations regarding use of tank mix adjuvants. If there are no instructions for adjuvants stated on the herbicide label, tank mix Entro prior to adding the herbicides to the tank.

Pursuit, Raptor and Assert are registered trademarks of BASF Corporation.
Flexstar GT is a registered trademark of Syngenta Group.

CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES – Read before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1) Refund of the purchase price paid by buyer or user for product purchased, or, 2) Replacement of the product used, to the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
