Crop Oil Concentrate™

PETROLEUM OIL

Principal Functioning Agents

Paraffinic petroleum oil, tall oil fatty acids, alkylphenol ethoxylates	99.0%
Constituents ineffective	1.0%
Total	**100.0%**
Surfactant Content	*16.0%*
Unsulfonated Oil Residue (UR) Value	*92.0% Minimum*

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

California State Reg. No. 45989-50015-AA

cpda CERTIFIED

FOR SDS INFO

KEEP OUT OF REACH OF CHILDREN
WARNING

Hazard Statements
Causes serious eye irritation. Causes mild skin irritation.

Precautionary Statements
Wear protective gloves and eye/face protection. Wash thoroughly after handling.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do, continue rinsing.

IF SKIN IRRITATION OCCURS: Get medical advice/attention.

Refer to back label for more First Aid statements.

⚠WARNING This product can expose you to the chemical oxirane which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

FOR PROFESSIONAL OR INDUSTRIAL USE ONLY

KALO

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you don't understand the label, find someone to explain it to you in detail.)

Storage, Disposal & Spill
Do not contaminate water, food or feed by storage or disposal of this product. **Storage:** Store at ambient temperature. Store in a closed container. Keep container tightly closed and DO NOT allow water to be introduced to contents of this container. DO NOT reuse this container. **Disposal:** Triple pressure rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations. **Spill:** In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

Environmental Hazards
Not for use on aquatic sites. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

Net Contents
2.5 Gallons (9.46 Liters) or 2 x 2.5 Gallons (18.93 Liters)

First Aid

Note To Physician: Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical attention.

If Swallowed: Rinse mouth. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If you feel unwell, call a poison control center or physician immediately for treatment advice.

If Inhaled: Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If you feel unwell, call a poison control center or physician for further treatment advice.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical attention. Take off contaminated clothing and wash before reuse.

Environmental Hazards

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present, or to inter-tidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on the label.

Directions For Use

Read and follow the precautions and directions for use on this label and the pesticide it is being applied with.

APPLICATION RATES
AIR: 1 to 3 pints in 2 to 15 gallons of water.
GROUND: 1 to 8 pints in 15 to 100 gallons of water.

Mixing

Fill spray tank 1/2 full, add the desired amount of herbicide and continue filling. Add Crop Oil Concentrate last. After filling, continue agitation. Always follow pesticide label directions, acceptable practices and advice from your crop consultant.

General Information

Crop Oil Concentrate is a nonphytotoxic superior type of agricultural spray oil designed for use with a broad range of post-emergence herbicides as well as desiccants, defoliants, and other pesticide uses.

Crop Oil Concentrate increases the activity of herbicides and, therefore, care should be exercised when herbicide spray containing Crop Oil Concentrate is applied to new varieties or highly inbred lines not previously treated with spray tank adjuvants. Use caution when applying with herbicides.

Crop Oil Concentrate may increase the effectiveness of the spray mixture. If mixture has not been used before, it is recommended that small test areas be treated before undertaking large-scale application.

NOT FOR USE ON AQUATIC SITES

CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES
Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following: 1) Refund of the purchase price paid by buyer or user for product purchased, or, 2) Replacement of the product used, to the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
